HOUSEKEEPING & GENERAL PURPOSE

Tutti Fruitti

Tutti Fruitti Disinfectant

5L - Product code: **817501**

15L - Product code: **817502**

Tutti Fruitti Disinfectant is a commercial grade disinfectant with built-in detergent. It is formulated to clean all hard surfaces and to disinfect, providing excellent protection against germs and bacteria. It will deodorize the room leaving a pleasant Tutti Fruitti fragrance. Tutti Fruitti Disinfectant is recommended for all washable hard surfaces such as floors and walls in washrooms.

Reflection

Antibacterial Glass Cleaner

5L - Product code: **816101**

15L - Product code: **816102**

Reflection Glass Cleaner is a mildly ammoniated formula that cuts through dirt and grease on all surfaces. Spray Reflection Glass Cleaner onto the glass surfaces or windows and wipe it off for streak free shine. Reflection Glass Cleaner is recommended for all glass, mirrors and hard surfaces including counter tops, stainless steel, chrome, plastic, enamel, ceramic tile, vinyl, granite, porcelain plastic and melamine tabletops.

Hi-Genic

Toilet Bowl Cleaner

5L - Product code: **816801**

15L - Product code: **816802**

Hi-Genic Toilet Bowl Cleaner is formulated on safe acids, non-ionic surfactants; a combination that has proven to be the least corrosive to all metals yet gives excellent performance. The regular use of Hi-Genic Toilet Bowl Cleaner brightens stainless steel and porcelain surfaces.

Kleen All

General Purpose Floor Cleaner

5L - Product code: **816201**

15L - Product code: **816202**

Kleen All General Purpose Floor Cleaner is a multi-purpose, mildly alkaline cleaner formulated to perform a wide variety of cleaning tasks on all surfaces. The product dries streak-free and has a pleasant floral fragrance. Kleen All General Purpose Floor Cleaner is recommended for all washable hard surfaces including walls, floors (vinyl, ceramic, tiles, quarry tiles), vehicles and pressure washers.

HOUSEKEEPING & GENERAL PURPOSE

Spray 'N' Wipe H6

Anti Bacterial - Ammonia Free Multi Purpose Cleaner

5L - Product code: **816601**

15L - Product code: **816602**

Spray 'N' Wipe Multi Purpose Anti Bacterial Cleaner is recommended for all hard surfaces including counter tops, stainless steel, chrome, plastic, enamel, ceramic tile, vinyl, granite, glass, porcelain plastic and melamine tabletops.

Neutrol H8

Neutral Low Foaming Detergent

5L - Product code: **817901**

15L - Product code: **817902**

Neutrol is a heavy duty highly concentrated, Low Foaming Neutral Detergent. It combines low foam detergency with soil suspending agents. Neutrol is suitable for use in auto scrubbers and high pressure washers, with a mop and bucket or a spray and wipe. Neutrol is suitable for use on floors, walls, benches, tiles and most other surfaces. It will effectively clean all types of common food soils as well as cooking oils and also motor oils and greases.

KITCHEN

Sudzee K1

Sink Detergent

5L - Product code: **816301**

15L - Product code: **816302**

Sudzee Sink Detergent is an active multi-purpose detergent formulated to cut through baked-on grease. This high sudsing liquid is delicately perfumed with an apple fragrance and is guaranteed to deliver great cleaning results. Sudzee Sink detergent is recommended for a wide variety of cleaning applications such as pots and pans, dishes, glassware and light duty cleaning tasks on hard surfaces (floors, walls, benches).

Trojan K2

Heavy Duty Floor Cleaner and Degreaser

5L - Product code: **817401**

15L - Product code: **817402**

Trojan Heavy Duty Floor Cleaner and Degreaser is heavy duty alkaline liquid formulated to cut through built-up grease and kitchen soil. It will strip-away grease on hoods, vents, ovens, and kitchen floors.

KITCHEN

Grill Master K3

Heavy Duty Oven and Grill Cleaner

5L - Product code: 816901

15L - Product code: 816902

Grill Master Heavy Duty Oven and Grill Cleaner is a foaming alkaline cleaner for ovens and grill plates and deep fryers. It is also recommended for cleaning stainless steel canopies and benches in kitchen environments.

Streak-Free K4

Machine Dishwashing Powder with built in Rinse Additive

10kg - Product code: 817301 (Bag)

10kg - Product code: 817302 (Bucket)

Machine Dishwashing Powder with built in Rinse Additive streak-free machine dishwashing powder is an oxygen activated detergent powder containing sanitising and anti-bacterial properties for commercial and domestic-style dishwashers.

Machine Plus K5

Machine Dishwashing Detergent

5L - Product code: 818201

15L - Product code: 818202

Machine Plus Dish and Glass Washing Detergent is for mechanical washing of glassware, dishes, and food machine equipment. Machine Plus dishwashing detergent is chlorinated, non foaming, grease cutting and emulsifying, no drying is required as Machine Plus is self-draining.

Rinse Plus K6

Rinse Aid for Machine Dishwashing

5L - Product code: 818401

15L - Product code: 818402

Rinse Plus is a drying agent which is added to the final rinse water of glass or dish washing machines, by means of a specially designed feeder. It dramatically reduces drying time and markedly improves the finished appearance of crockery, glassware and cutlery by eliminating water spotting. Rinse Plus also eliminates the need for manual toweling, thus reducing the possibility of spreading pathogenic organisms. This product is equally effective in both soft and hard water as it contains a water softener and anti-scaling agents. Rinse Plus is safe on all metals found in the construction of dish and glass washing machines.

KITCHEN

Easi-Clean K7

Caustic based Heavy Duty Degreaser

5L - Product code: **817601**

15L - Product code: **817602**

Easi-Clean is a caustic based Heavy Duty Degreaser removes heavy deposits of grease, fat, protein deposits, dirt, oil, from all hard surfaces. Easi-Clean is particularly effective in food plants and kitchens when used as directed. Easi-Clean is D.P.I. and AQIS approved for use in food plants.

Fome Chlor K8

Dense Cleaning and Sanitizing Foam

5L - Product code: **818101**

15L - Product code: **818102**

Fome Chlor Chlorinated Foaming Detergent is for cleaning and sanitizing hard surfaces of fat, dirt, and grease. It is non-corrosive at use dilution rates on all metals encountered in the food industry. These include stainless steel, and aluminum surfaces. Fome Chlor is AQIS approved for use in food processing areas.

PERSONAL CARE

Gentle P1

Hand Soap (Pink or Pearl)

5L - Product code: **817101** - Pearl

15L - Product code: **817102** - Pearl

5L - Product code: **817201** - Pink

15L - Product code: **817202** - Pink

Gentle Hand Soap is high performing hand soap with excellent cleaning performance, leaving a pleasant residual fragrance. Gentle can also be applied through most liquid soap dispensers. Available in pink and pearl.

Body Wash P2

All Over Body Wash, with Shampooing Conditioner

800ml - Product code: **817840** (6 x 800ml Bladders)

5L - Product code: **817801**

15L - Product code: **817802**

Body Wash Hair and Body Soap has been formulated to be a safe and pleasant liquid hand cleaner, body wash, and shampoo for any application. It contains skin and hair conditioners and has a delicate floral fragrance. Body Wash is suitable for all amenities such as toilets, change rooms and showers, as well as retail outlets such as hair dressing salons. Body Wash can also be applied through most liquid soap dispensers.

LAUNDRY

Eclipse L1

Concentrated Laundry Powder

15kg - Product code: **816701** (Bag)

12.5kg - Product code: **816702** (Bucket)

Eclipse Concentrated Laundry Powder is a low foaming powder suitable for general purpose laundering of garments. Eclipse Concentrated Laundry Powder is suitable for all types of linen (excluding wool) and recommended for hard washing in top and front loader machines. Eclipse Concentrated Laundry Powder can also be used as a pre-soak for heavily soiled laundry prior to washing. Eclipse is Grey Water safe and complies with Australian standards for phosphate content.

Extreme L2

Concentrated Laundry Liquid

5L - Product code: **818001**

15L - Product code: **818002**

Extreme Concentrated Laundry Liquid contains a floral fragrance to leave clothes smelling fresh. Extreme Concentrated Laundry Liquid effectively removes common stains on all fabrics and is suitable for hot or cold washing. Extreme is Grey Water safe and complies with Australian standards for phosphate content.

Cuddle Soft L3

Fabric Softener and Conditioner

5L - Product code: **817701**

15L - Product code: **817702**

Cuddle Soft Fabric Softener and Conditioner performs two roles in one operation – soften fabrics as well as eliminating static charge. Cuddle Soft Fabric Softener and Conditioner is recommended for the laundering of towels, bed linen and to reduce static cling in polyester and synthetic garments. Cuddle Soft Fabric Softener and Conditioner leaves fabrics fragrantly fresh, easy to iron and wrinkle free.

Wonder L4

Laundry Stain Soaker and Sanitiser

4kg - Product code: **818301** (Bucket)

15kg - Product code: **818302** (Bag)

Wonder Nappy Wash Soaker is a multi-purpose stain remover suitable for general purpose laundering of garments. Wonder Nappy Wash Soaker is suitable for all types of linen (excluding wool) and recommended for hand-washing, and in top and front loader washing machines. Wonder Wash Soaker can also be used as a pre-soak for heavily soiled laundry prior to washing.
